What I did on Summer Vacation ...

You may not see Darienne, daughter of Laureen & Ron Majeske, on *Dancing with the Stars*, but dancing is how she loves to fill her time.

Antonio, son of Nina & Frank Liberati, loves to fish at his cottage. He caught this whopper all by himself. Fish tale anyone?

Andrew, son of Kim & Mike Young, participated in the Carolina Communication Project. He did quite well but especially loved having his own hotel room key card! He was very willing to go retrieve anything from the room if it meant he could do it alone. And he did. Over and over.

Andrew, son of Mary Beth Langan & Ted Coutilish, rode a horse a few times at First Impression Farm in Lenox, MI. He did not like the riding helmet, but he loved touching the horse.

Are you ready for 2010?

The Fragile X Association of Michigan (FXAM) is hosting the International Fragile X Conference in Dearborn, Michigan! More details on page 2.

From the President's Desk by Lauren Majeske

Dear Friends,

If you had not heard previous to reading the front page of this newsletter, the exciting news announced at the 2008 Fragile X Conference in the summer was that our group will be hosting the 2010 International Fragile X Conference! Mark your calendars... July 21-25, 2010 we'll be at the Hyatt Regency Dearborn for the conference with the family-friendly Thursday evening event scheduled for The Henry Ford Museum.

We have begun the planning process and the enthusiasm is boiling over! The greatest benefit for us that the conference is in Michigan, is that the conference is in MICHIGAN. It is an opportunity for us all to more easily educate our families, friends, teachers, doctors, therapists and all other professionals who support families affected by fragile X. This is our conference - with all of the world's fragile X experts - in our backyard. We are one big Michigan

fragile X family and we hope each and every one of you can get involved in some way in this once-in-a-lifetime event. It is here now; it is for all of us; it is for us to share Michigan and Metro Detroit with the fragile X world.

We will be sending you lots of information over the coming year to keep you up-to-date and offer opportunities to help. You will also be receiving a questionnaire where you can check the level of involvement you would like to have. We will be looking for sponsorships and donations to help put on the best possible conference. If you work for a company that awards grants, or a company that would like to donate promotional items or items for the Saturday-night silent auction, please let us know. We will have packets of information available for you to present to your company to help with this process or just let us know and we will do the rest. We will be happy to help in any way we can.

Also, don't forget that our major fundraiser to help us host the conference is still going on. The fragile X playing cards were printed this summer and are for sale for \$10 per deck. They would make great gifts for the holidays - for family, friends, teachers, therapists and more! There is one low shipping price of \$10 to ship 10-60 decks to your home. If you would like to place an order for decks of cards, you can go to fragilex.org/html/michigan.htm for an order form (if not available, it will be in the near future). If you do not have web access or would like to pick up your cards at a support meeting or holiday event, please contact Kim at

**248-396-0315 or
fraxmich@hotmail.com.**

Looking forward to working together with all of you to make this the best conference ever!

Annual Picnic and Fragile X 5K Fun Run & Walk

Our FXAM Annual Picnic Day included our 2nd Annual Fragile X Fun Run/Walk. After expenses (for awesome bounce houses, food and t-shirts), the day brought in \$1,300. Many families came out to run, walk, eat and/or talk with one another. It was a beautiful day!

We're already planning the 2009 event for:

Saturday, July 18

Please save the date and join in the fun! A special thank you to Kim and Mike Young, and all who helped organize this event to make the day a success!

Does FXAM have your correct email address?

In this electronic age, we try to send many of our updates and our event information via email to help our group save postage.

If you think we may not have your correct email address, please contact Mary Beth at mblangan@hotmail.com to change or confirm your email address. THANK YOU!

What I did on Summer Vacation ...

Our FXAM families created some very typical summer memories and some not-so-typical ones.

Sally Nantais traveled with daughters Genevieve and Natalie for them to participate in a research study at the M.I.N.D. Institute, U.C. Davis, Sacramento, California.

Their hard work in the study was followed by a day of fun in the sun at Pier 39 in San Francisco.
